2007 Honda ST1300P

La Palma Police Department purchased this Honda ST1300P from Huntington Beach Honda in Huntington Beach, California.

The bike is fully equipped and

was custom painted to our department specifications. All work was performed by Huntington Beach Honda.

Some of the features include custom built Lidar holster which also holds a full-size flashlight, baton and cite book. The bike is also equipped with fully integrated radio system built in to a full face helmet. The system also includes a P.A. and MP3 player that is integrated into the system.

Emergency lighting consists of

10 separate LED lights mounted to the front rear and sides of the motorcycle as well as a wig-wag built into the factory headlight. A custom built locking rack attached to the rear of the bike hold an M-4 Carbine with twenty round magazine.
